We support the rule changes with the exception of Rule 52, which we oppose.

**JIMMY WALLACE**

**LOY SMITH**

**PAUL SCRUGGS**

**EXPLANATION OF VOTE**

I voted against adoption of changes in the House rules because I feel if a bill has enough support on the House floor to pass it should not be held up in committee on a rule technicality. I support the committee system and have voted consistently with the position to not recall a bill from committee except on rare occasions. However, situation come at times that require us to look out for all of the citizens instead of just a few and that is why I voted as I did.
